CIRCA (EN)

Introduction

CIRCA is a web app that supports socialisation between persons with communication impairments and their surroundings. The app contains photos, videos and music from different time epochs. When you are using the app, the items will be shown randomly. The idea is to stimulate conversation and make for a nice time together.

Connecting to the Application Centre

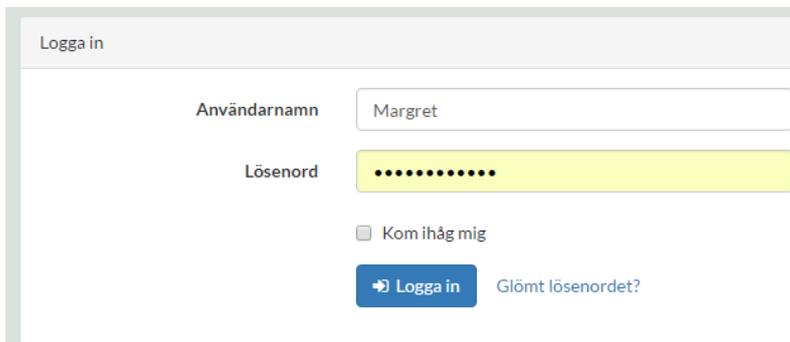

1

Choose the icon for CIRCA. If CIRCA doesn't open, you can enter this address in the browser instead: 143.167.136.78 in the start page, select "Login". If you have not been given a username, please get in touch with your contact person.

2

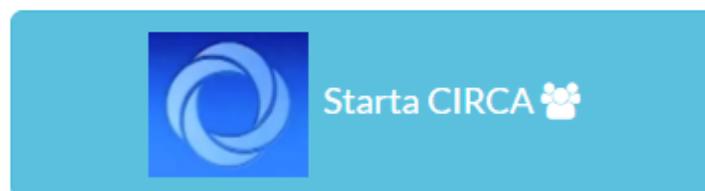

Enter your username and password and choose "Login".

3

Select "Start CIRCA".

4

The name of your session is already entered. Make sure that all participants are entered into the list, and check their names every time you use the application.

If you need to enter a new participant, write his or her name in the field "New participant" and press the orange button. Two names cannot be the same. Try adding an initial if two persons have the same name.

When you are ready, press "Start CIRCA".

Starta CIRCA

5

As a carer, you can carry out these steps above on your own. When you take the remaining steps, you do it together with the person(s) you are going to use CIRCA with.

6

Select one of the topics in the bottom of the page. Then, select from photographs, video or music, and choose the desired subcategory.

7

Photographs

Browse between the photos with the arrows to the left and right. Close an image with the red X in the top right corner.

8

video

The video starts playing when you select your title. If you want to stop watching, select a new topic.

9

Music

Play the songs on the screen with the green play button before the titles.

Rockmusik

-  Start Me Up
-  Oh Pretty Woman
-  We Are The Champions
-  Cadillac

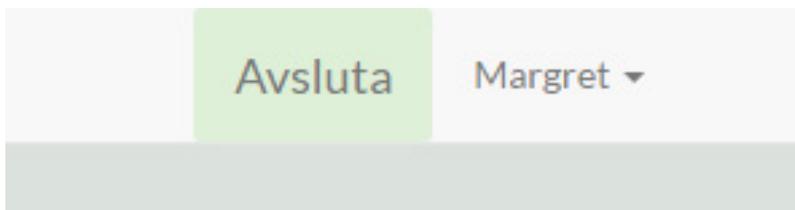

10

Let the person you are sitting together select topics if he or she is able. Otherwise, you can help. Use the photos, videos and songs as starters for conversations. The idea is for the content to inspire conversation and social get-togethers.

11

To finish, select "End session" in the top right corner.

12

If you have questions or encounter any problems, please get in touch with your contact person in the project.
